

IBRO 2023 Childcare Service

IBRO 2023 Childcare

IBRO 2023 supports working parents who wish to attend the congress with their children and will provide family-friendly facilities for nursing mothers along with childcare during the Congress Programme days, September 9 to 13 from 08:00 to 20:00.

Space is limited, pre-registration and payment are required in order to secure your ticket. Registration is open now as part of the online registration form.

The childcare service offered will consist of activities based on a methodological strategy of game corners that provides active learning to children through research-boosting activities and role-play, social interaction, in order to develop their intelligence and creativity.

The corners would be:

- **Construction:** with wooden building blocks to train fine motor skills and larger plastic blocks, balloons and balls to improve gross motor skills. Also, cars and trucks to play with.
- **Play/theatre games:** Reading out loud parts in a play and acting out stories with puppets, costumes and mirrors to look at themselves.
- **Art:** with worksheets cards to colour, crayons, markers, pencils, finger paint and plasticine to create their own art pieces. As well as music, with various instruments.
- **Chill-out/lounge area,** with beds for a nap or playing quiet games.

For older children we can help them out with their homework according to their age and if they bring their own textbooks.

Baby care: we can stimulate them with massages, musical instruments, and songs...

For more information, please contact us at reg_ibro23@kenes.com

Childcare service fees:

One-time registration fee: 20 euros per child

Daycare cost: 10 euros per day per child
