

Programme Committee

Prof. Paola Bovolenta

Head of Program

Tissue and Organ Homeostasis Program. Centro de Biología Molecular
Severo Ochoa, Spanish National Research Council – Universidad Autónoma
de Madrid.

Spain

Dr. Gordon Fishell

Professor of Neurobiology

Harvard Medical School

USA

Dr. Mu-ming Poo

Director

Institute of Neuroscience of the Chinese Academy of Sciences (CAS) in
Shanghai and director of the CAS Center for Excellence in Brain
Science and Intelligence Technology

China/US

Dr. Noeline Nakasujja

Chair for the Department of Psychiatry

College of Health Sciences, Makerere University

Uganda

Prof. Njideka Okubadejo

Professor and Consultant Neurologist

College of Medicine, University of Lagos

Nigeria

Nouria Lakhdar-Ghazal

Director

IBRO UM5 Africa Center For Advanced Training In Neuroscience

Mohammed V University

Morocco

Prof. Paul Manger

Research Professor

School of Anatomical Sciences, University of The Witwatersrand
South Africa

Prof. Tadafumi Kato

Professor

Psychiatry and Behavioral Science, Juntendo University
Japan

Prof. Jana Vokuvic

Viertel Senior Medical Research Fellow

University of Queensland
Australia

Prof. Xiang Yu

Professor

School of Life Sciences, Peking University
China

Prof. Vidia Vaidya

Neuroscientist and Professor

Tata Institute of Fundamental Research
India

Dr. Christian González-Billault

Full Professor

Biology, Faculty of Sciences, Universidad de Chile
Chile

Dr. Bernardo Rudy

Professor of Neuroscience & Physiology

New York University Neuroscience Institute
Mexico/USA

Dr. Newton Sabino Canteras

Full Professor

University of São Paulo
Brazil

Dr. Jesica Raingo

Instituto Multidisciplinario de Biología Celular, Consejo Nacional de
Investigaciones Científicas y Técnicas
Argentina

Prof. Timmusk Tonis

Professor of Molecular Biology

Department of Chemistry and Biotechnology, Tallinn University of
Technology
Estonia

Prof. Matteo Carandini

University College London
United Kingdom

Prof. Marie Carlen

Neuroscience Karolinska, Institutet
Sweden

Dr. Vincent Prevot

Inserm
France

Dr. Amita Sehgal

Vice Chair

Department of Neuroscience, University of Pennsylvania School of
Medicine
USA

Chris McBain

Senior Investigator

National Institute of Child Health and Human Development – National
Institutes of Health (NICHD-NIH)
USA

Dr. Bianca Jones Marlin

Assistant Professor

Psychology and Neuroscience, Columbia University, Zuckerman Institute
USA

Dr. Andrea Tolias

Professor

Department of Neuroscience, Baylor College of Medicine

USA
